### Introduction

Each of Fonterra Co-operative Group Limited (“**Fonterra**”) and New Zealand Milk (Australasia) Pty Limited (ABN 23 003 502 654) (“**NZMA**”) (each an “**Issuer**” and together the “**Issuers**”) may offer from time to time short term notes (“**STNs**”), medium term notes (“**MTNs**”) and other debt instruments (together, “**Notes**”) under the debt issuance programme (“**Programme**”) described in this Information Memorandum. Notes issued by NZMA will have the benefit of an unconditional and irrevocable guarantee given by Fonterra.

References in this Information Memorandum to “the Issuer”, “an Issuer” or the “relevant Issuer” (or any similar expressions), in relation to an issue of Notes, is a reference to the particular Issuer of those Notes unless expressly specified otherwise.

This Information Memorandum replaces the information memorandum dated 10 June 2011.

### Issuer’s responsibility

This Information Memorandum has been prepared by and issued with the authority of each Issuer. Each Issuer accepts responsibility for the information contained in this Information Memorandum other than information provided by the Joint Arrangers and Programme Managers, the Dealers and the Agents (each as defined in the section entitled “Summary of the Programme” below) which is limited to their respective descriptions (if applicable) in the section entitled “Directory” below.

### Place of issuance

Subject to applicable laws, regulations and directives, the Issuers may issue Notes under the Programme in any country including Australia, New Zealand and countries in Europe and Asia but not in the United States of America unless such Notes are registered under the United States Securities Act of 1933 (as amended) (“**US Securities Act**”) or an exemption from the registration requirements is available. The Notes have not been, and it is not intended that they be, registered under the US Securities Act.

### Terms and Conditions of Issue

Each issue of Notes will be made pursuant to such documentation as the Issuer may determine. However, each Series of Notes will be issued in registered form pursuant to a deed poll (“**Deed Poll**”) executed by the Issuer and take the form of an entry in a register.

Notes will be issued in one or more Tranches (each a “**Tranche**”) within one or more series (each a “**Series**”). Tranches of Notes within a particular Series will be identical other than, to the extent relevant, in respect of their issue dates, issue prices and in respect of the first interest payment.

A pricing supplement (“**Pricing Supplement**”) may be issued for each Tranche of Notes. A Pricing Supplement will contain details of the aggregate principal amount of the Tranche and the interest (if any) payable in respect thereof, and the issue price, issue date and maturity date applicable to that Tranche, together with any other terms and conditions not contained in this Information Memorandum which apply to that Tranche of Notes. The terms and conditions (“**Conditions**”) applicable to the Notes are included in this Information Memorandum and may be supplemented, amended, modified or replaced by the Pricing Supplement applicable to those Notes.

The Issuer may also publish a supplement to this Information Memorandum (or additional

information memoranda) which describes the issue of Notes (or particular classes of Notes) not otherwise described in this Information Memorandum. A Pricing Supplement or a supplement to this Information Memorandum may also supplement, amend, modify or replace any statement or information set out in this Information Memorandum.

## **Listing**

MTNs will ordinarily be unlisted, but application may be made to list MTNs of a particular Series on the Australian Securities Exchange (“**ASX**”) or any other stock exchange. The relevant Pricing Supplement in respect of the issue of any MTNs will specify whether or not such MTNs will be listed on a stock exchange. STNs will not be listed.

Notes may be lodged in the Austraclear System and may also be transacted through Euroclear Bank S.A./N.V., as operator of the Euroclear System (“**Euroclear**”), Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) (together the “**Clearing Systems**”).

## Corporate Profile

### Fonterra Co-operative Group Limited

Fonterra Co-operative Group Limited (“**Fonterra**”) is a co-operative company incorporated in New Zealand, and owned and supplied by around 10,600 member dairy farmers in New Zealand.

Fonterra is an integrated processor with a diverse range of manufacturing, distribution and marketing activities providing dairy nutrition products to customers in over 100 countries.

In addition to the division called Group Functions (which includes the Office of the CEO; Office of the CFO; People, Culture and Services; and Global Brands and Nutrition), it is organised around two key business segments: NZ Milk Products and regional businesses.

- **NZ Milk Products** – the driver of the New Zealand milk supply chain which collects milk from New Zealand farmers, manufactures it into dairy products and then exports it to customers around the world. Products range from everyday dairy nutrition powders (typically whole milk powder and skim milk powder) to innovative advanced dairy nutrition products. Customers include many of the world's largest food companies.
- **Regional businesses** – Fonterra builds on its earnings from New Zealand and internationally-sourced milk through the operations of integrated regional businesses. These regional businesses focus on branded consumer dairy products (such as yoghurts, milk, butter and ice cream) and foodservices (supplying customers such as bakeries, restaurants, caterers, hotels and quick service restaurants).
  - **APMEA (Asia Pacific/Middle East/Africa)** – this consumer business unit is a result of a merger of the former Australia and New Zealand (ANZ) and South East Asia, Middle East and Africa (ASEAN/MENA) business units, and it includes the consumer and foodservice business in New Zealand, Australia, Asia, Africa and the Middle East. APMEA brands cover a wide range of consumer and customer needs, ranging from everyday nutrition under ANCHOR™, Mainland™, Tip Top™, Western Star™, FERNLEAF™ and RATTHI™ to advanced nutrition offerings under ANLENE™ and ANMUM™.
  - **Latin America** – encompassing Soprole, the integrated dairy business in Chile, and Dairy Partners Americas, a joint venture alliance with Nestlé that operates in several markets such as Brazil, Venezuela, Ecuador, Colombia and Argentina as well as Fonterra’s Caribbean business.
  - **China/India** – encompassing all Fonterra activities and joint ventures in Greater China and India including consumer and foodservice business in the mainland of China, Hong Kong and Taiwan. Key brands are ANCHOR™, ANLENE™ and ANMUM™.

A new function called Global Brands and Nutrition was established in July 2013 which will be driving Fonterra’s overall marketing, innovation and research activities.

## **New Zealand Milk (Australasia) Pty Limited**

New Zealand Milk (Australasia) Pty Limited (“**NZMA**”) is the holding company for all of Fonterra’s Australian operations (“**NZMA Group**”) and, along with the foodservice and consumer businesses in New Zealand, Asia, Africa, and Middle East, forms one of Fonterra’s Strategic Business Units, “Fonterra APMEA”. NZMA is indirectly 100 per cent. owned by Fonterra.

NZMA Group’s core business involves the acquisition of milk from Australian farmers and the manufacture and sale of dairy ingredients, both specialty and commodity, and dairy consumer goods.

NZMA Group collects around 1.6 billion litres of milk annually from around 1,200 farms and their 300,000 dairy cows and processes approximately 18 per cent of the Australian milk supply. Unlike Fonterra, NZMA’s farmer suppliers are not shareholders.

Through its 10 manufacturing sites located across Victoria, Tasmania and New South Wales, NZMA Group produces bulk ingredients and fast moving consumer goods. NZMA Group produces dairy ingredients including milk powders, milk concentrates, cream, milk and whey proteins. However, the approved issuer levy regime may not apply in certain circumstances.

**Stamp duty:** Any stamp duty incurred at the time of issue of the Notes will be for the account of the Issuer. Any stamp duty incurred on a transfer of Notes will be for the account of the relevant investors. Investors are advised to seek independent advice regarding any stamp duty or other taxes imposed by another jurisdiction upon the transfer of Notes, or interests in Notes, in any jurisdiction outside Australia.

### **1.3 Headings**

Headings (including those in brackets at the beginning of paragraphs) are inserted for convenience and do not affect the interpretation of these Conditions.

---

## **2 Form, denomination and title**

### **2.1 Constitution under Deed Poll**

The Notes are registered debt obligations of the Issuer constituted by, and owing under, the Deed Poll and take the form of entries in the Register. Each entry in the Register constitutes a separate and individual acknowledgment to the relevant Holder of the indebtedness of the Issuer to the relevant Holder.

### **2.2 Independent Obligations**

The obligations of the Issuer in respect of each Note constitute separate and independent obligations which the Holder to whom those obligations are owed is entitled to enforce without having to join any other Holder or any predecessor in title of a Holder.

### **2.3 Denomination**

Unless otherwise specified in the Pricing Supplement:

- (a) Notes are issued in the denomination of A\$100,000; and
- (b) Notes may only be issued if the aggregate consideration payable to the Issuer is a minimum of A\$500,000 (or the equivalent in an Alternate Currency) (disregarding any moneys lent by the Issuer or its associates to the Note Holders) or if the Notes are otherwise issued as a result of an offer or invitation which does not require disclosure to be made under Parts 6D.2 or 7.9 of the Corporations Act.

## **2.4 Register conclusive**

Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the registered holder of the Note, subject to rectification for fraud or error. No Note will be registered in the name of more than four persons. A Note registered in the name of more than one person is held by those persons as joint tenants. Notes will be registered by name only without reference to any trusteeship. The person registered in the Register as a Holder will be treated by the Issuer and the Registrar as absolute owner of that Note and neither the Issuer nor the Registrar is, except as ordered by a court or as required by statute, obliged to take notice of any other claim to a Note.

## **2.5 Holder absolutely entitled**

Upon a person acquiring title to any Note by virtue of becoming a Holder in respect of that Note, all rights and entitlements arising by virtue of the Deed Poll in respect of that Note vest absolutely in the Holder, such that no person who has previously been the Holder in respect of that Note has or is entitled to assert against the Issuer or the Registrar or the Holder for the time being and from time to time any rights, benefits or entitlements in respect of the Note.

## **2.6 Location of Register**

The Register will be established and maintained in Victoria.

## **2.7 Certificates**

No certificate or other evidence of title will be issued to Holders by or on behalf of the Issuer to evidence title to a Note unless the Issuer determines that certificates should be made available or it is required to do so pursuant to any applicable law or regulation. Notes which are held in the Austraclear System will be registered in the name of Austraclear as operator of that system.

## **2.8 Acknowledgment**

Where Austraclear is recorded in a Register as the Holder, each person in whose account that Note is recorded is deemed to acknowledge in favour of the Registrar and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of the Note does not constitute a recommendation or endorsement by the Registrar or the relevant person in relation to the Note but only indicates that such Note is considered by the Registrar to be compatible with the performance by it of its obligations as Registrar under its agreement with the Issuer to act as Registrar of the Note; and
- (b) the Holder does not rely on any fact, matter or circumstance contrary to Condition 2.8(a).

---

## **3 Transfers**

### **3.1 Limit on Transfer**

Notes may only be transferred in whole.

### **3.2 Transfers**

Unless otherwise specified in the Pricing Supplement, Notes may only be transferred if:

- (a) the aggregate consideration payable at the time of transfer is a minimum amount of A\$500,000 (disregarding any moneys lent by the transferor or its associates to the transferee) or the Notes are otherwise transferred in a manner that does not require disclosure to be made under Parts 6D.2 or 7.9 of the Corporations Act;
- (b) at all times, the transfer complies with all applicable laws, regulations or directives of the jurisdiction where the transfer takes place; and
- (c) the Issuer does not incur any additional disclosure obligations under the laws of the jurisdiction in which the transfer takes place.

### **3.3 Transfer procedures**

Unless Notes are lodged in the Austraclear System, application for the transfer of Notes must be made by the lodgement of a transfer form with the Registrar. Transfer forms are available from the Registrar. Each form must be accompanied by such evidence (if any) as the Registrar may require to prove the title of the transferor or the transferor's right to transfer the Note and be signed by both the transferor and the transferee.

Notes entered in the Austraclear System will be transferable only in accordance with the Austraclear Regulations.

### **3.4 Registration of transfer**

The transferor of a Note is deemed to remain the holder of that Note until the name of the transferee is entered in the Register in respect of that Note. Transfers will not be registered during the period from the Record Date until the calendar day after the relevant date for payment.

### **3.5 No charge on transfer**

Transfers will be registered without charge provided taxes, duties or other governmental charges (if any) imposed in relation to the transfer have been paid.

### **3.6 Estates**

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Holder or of a vesting order or a person administering the estate of a Holder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the Holder in respect of that Note.

### **3.7 Unincorporated associations**

A transfer to an unincorporated association is not permitted.

### **3.8 Transfer of unidentified Notes**

Where the transferor executes a transfer of less than all Notes of the relevant Tranche or Series registered in its name, and the specific Notes to be transferred are not identified, the Registrar may (subject to the limit on minimum holdings) register the transfer in respect of such of the Notes of the relevant Tranche or Series registered in the name of the transferor as the Registrar thinks fit, provided the aggregate principal amount of the Notes registered as having been transferred equals the aggregate principal amount of the Notes expressed to be transferred in the transfer.

### **3.9 Australian Stock Exchange Listing**

Notes which are listed on the Australian Securities Exchange Limited will not be transferred through or registered on CHESS and will not be “CHESS approved securities”. In the event that an interface between the Register maintained by the Registrar and CHESS is established the Transaction Documents may be amended to facilitate settlement on CHESS and so that the Notes will become “CHESS approved securities”.

### **3.10 Taxes**

- (a) The Issuer must bear any stamp duty on the issue and subscription of the Notes.
- (b) The Holder is responsible for all taxes, duties or other governmental charges (if any) imposed in any jurisdiction in connection with any transfer, assignment or any other dealing with the Notes.

### **3.11 Lodged in Austraclear**

If the Notes are lodged in the Austraclear System, despite any other provision of these Conditions, the Notes are not transferable on the Register, and the Issuer may not, and must procure that the Registrar does not, register any transfer of the Notes issued by it and no member of the Austraclear System has the right to request any registration of any transfer of such Notes, except:

- (a) for any repurchase, redemption or cancellation (whether on or before the Maturity Date of the Notes) of such Notes, a transfer of the relevant Notes from Austraclear to the Issuer may be entered in the Register; and
- (b) if Austraclear exercises any power it may have under the Austraclear Regulations or these Conditions, to require the relevant Notes to be transferred on the Register to a member of the Austraclear System, the relevant Notes may be transferred on the Register from Austraclear to the member of the Austraclear System.

In any of these cases, the relevant Notes will cease to be held in the Austraclear System.

### **3.12 Transfer notwithstanding Event of Default**

MTNs may be transferred notwithstanding the occurrence of an Event of Default.

---

## **4 Status and Guarantee**

### **4.1 Status**

Notes are direct, unsubordinated and unsecured obligations of the Issuer and rank at least equally with all other unsecured and unsubordinated obligations of that Issuer except liabilities mandatorily preferred by law.

*The following Condition 4.2 does not apply to STNs.*

### **4.2 Negative Pledge**

So long as any MTN remains outstanding, the Issuer shall not, and Fonterra shall procure that none of its Principal Subsidiaries will, create or permit to subsist any Security Interest upon the whole or any part of its present or future undertaking, assets or

revenues (including uncalled capital) to secure any Relevant Indebtedness or Guarantee of Relevant Indebtedness without:

- (a) at the same time or prior thereto securing the MTN equally and rateably therewith to the satisfaction of the Joint Arrangers and Programme Managers; or
- (b) providing such other security for the MTNs as the Joint Arrangers and Programme Managers may in their absolute discretion consider to be not materially less beneficial to the interests of the Holders of such MTNs or as may be approved by an Extraordinary Resolution of the Holders of such MTNs.

*The following Condition 4.3 does not apply to Notes issued by Fonterra*

#### **4.3 Guarantee**

- (a) Notes issued by the Issuer are issued with the benefit of the unconditional and irrevocable guarantee of Fonterra constituted by the Deed of Guarantee and Indemnity. By the Deed of Guarantee and Indemnity, Fonterra unconditionally and irrevocably guarantees to the Holders, among other things, the payment by the Issuer of the face amount and other amounts due under the Notes.
- (b) The Deed of Guarantee and Indemnity constitutes direct, unconditional, unsubordinated and unsecured obligations of Fonterra.
- (c) The obligations of Fonterra under the Deed of Guarantee and Indemnity rank at least equally with all other unsecured and unsubordinated obligations of Fonterra except liabilities mandatorily preferred by law.

*The following Condition 5 does not apply to STNs.*

## **5 Interest**

### **5.1 General**

MTNs may be either interest-bearing or non interest-bearing, as specified in the relevant Pricing Supplement. Interest-bearing MTNs may bear interest at either a fixed rate or a floating rate. In relation to any Tranche of MTNs, the relevant Pricing Supplement may specify actual amounts of interest payable (“**Interest Amounts**”) rather than, or in addition to, a rate or rates at which interest accrues.

The Pricing Supplement in relation to each Tranche of interest-bearing MTNs will specify which of Conditions 5.2 (*Interest - fixed rate*), 5.3 (*Interest - floating rate*) and 5.4 (*Interest - other rates*) will be applicable to the MTNs. Condition 5.5 (*Interest - Supplemental provisions*) will be applicable to each Tranche of interest-bearing MTNs save to the extent of any inconsistency with the relevant Pricing Supplement.

### **5.2 Interest - fixed rate**

Each MTN in relation to which this Condition 5.2 is specified in the relevant Pricing Supplement as being applicable (“**Fixed Rate MTN**”) will bear interest on its Outstanding Principal Amount at the fixed coupon rate or the fixed rate or rates per annum specified in the relevant Pricing Supplement from the Issue Date of the MTNs. Interest will be payable in arrear on the Interest Payment Dates specified in the relevant Pricing Supplement.

Interest which is required to be calculated for a period of other than a full year will be

calculated on such basis as is specified as the Day Count Fraction in the relevant Pricing Supplement.

The first payment of interest will be made on the Interest Payment Date next following the Interest Commencement Date and, if the first anniversary of the Interest Commencement Date is not an Interest Payment Date, will amount to the Initial Broken Amount.

If the Maturity Date is not an Interest Payment Date, interest from (and including) the preceding Interest Payment Date (or the Interest Commencement Date, as the case may be) to (but excluding) the Maturity Date will amount to the Final Broken Amount.

### **5.3 Interest - floating rate**

#### **(a) Accrual of interest**

MTNs in relation to which this Condition 5.3 is specified in the relevant Pricing Supplement as being applicable ("**Floating Rate MTNs**") will bear interest in respect of each Interest Period at the rate or rates per annum determined in accordance with this Condition 5.3.

Each Floating Rate MTN will bear interest on its Outstanding Principal Amount at the Interest Rate (as defined below) from the Interest Commencement Date. Interest will be payable in arrear on each Interest Payment Date. If any Interest Payment Date in respect of a Floating Rate MTN would otherwise fall on a day which is not a Business Day, such Interest Payment Date shall be determined in accordance with the Business Day Convention specified in the Pricing Supplement.

#### **(b) Interest Rate**

The Interest Rate payable in respect of Floating Rate MTNs shall be determined by the Calculation Agent on the basis of sub-paragraph (i) or (ii) below, as specified in the relevant Pricing Supplement:

##### **(i) ISDA Determination for Floating Rate MTNs**

Where "ISDA Determination" is specified in the applicable Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period is the relevant ISDA Rate (as defined below) plus or minus (as indicated in the applicable Pricing Supplement) the Margin.

For the purposes of this sub-paragraph (i), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent for the MTNs under an interest rate swap transaction if the Calculation Agent for the MTNs were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions (as defined below) and under which:

- (A) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (B) the Designated Maturity is a period specified in the applicable Pricing Supplement; and
- (C) the relevant Reset Date is as specified in the applicable Pricing Supplement;

Supplement; and

- (D) the Period End Dates are each Interest Payment Date, the Spread is the Margin and the Floating Rate Day Count Fraction is the Day Count Fraction.

For the purposes of this sub-paragraph (i), “Floating Rate”, “Calculation Agent” (except references to “Calculation Agent for the MTNs”), “Floating Rate Option”, “Designated Maturity”, “Reset Date”, “Period End Date”, “Spread” and “Floating Rate Day Count Fraction” have the meanings given to those terms in the 2000 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. (“ISDA Definitions”).

(ii) *Screen Rate Determination for Floating Rate MTNs*

Where the “Screen Rate Determination” is specified in the applicable Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period will be, subject as provided below, either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded in accordance with Condition 5.3(b)(v)) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00am (Sydney time) or such other time as is specified in the Pricing Supplement (“**Relevant Time**”) on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purposes of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- (aa) If sub-paragraph (A) applies and no offered quotation appears on the Relevant Screen Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (B) applies and fewer than two offered quotations appear on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Interest Rate is the arithmetic mean of the Reference Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent.
- (bb) If sub-paragraph (aa) above applies and the Calculation Agent determines that fewer than two Reference Banks are making offered quotations for the Reference Rate in respect of the relevant currency, subject as provided below, the Interest Rate is the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates

(being the nearest equivalent to the Reference Rate) in respect of deposits of approximately A\$100,000 (or the approximate equivalent in the relevant currency) that at least two out of five leading banks selected by the Calculation Agent in the Relevant Financial Centre are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the first day of the Interest Period to which the relevant Interest Determination Date relates for a period equivalent to the relevant Interest Period to leading banks carrying on business in the Relevant Financial Centre.

(iii) *Minimum and/or Maximum Interest Rate*

If the applicable Pricing Supplement specifies a Minimum Interest Rate for any Interest Period then, in the event that the Interest Rate in respect of such Interest Period determined in accordance with the other provisions of this Condition 5.3(b) is less than such Minimum Interest Rate, the Interest Rate for such Interest Period shall be such Minimum Interest Rate.

If the applicable Pricing Supplement specifies a Maximum Interest Rate for any Interest Period then, in the event that the Interest Rate in respect of such Interest Period determined in accordance with the other provisions of this Condition 5.3(b) is greater than such Maximum Interest Rate, the Interest Rate for such Interest Period shall be such Maximum Interest Rate.

(iv) *Fallback Interest Rate*

Unless otherwise specified in the relevant Pricing Supplement, if, during the Interest Period, the Calculation Agent is unable to determine a rate (or, as the case may be, the arithmetic mean of rates) in accordance with the above provisions, the Interest Rate applicable to the MTNs during that Interest Period will be the Interest Rate applicable to the MTNs during the immediately preceding Interest Period (with adjustment for any change in the Margin, Maximum Interest Rate or Minimum Interest Rate).

(v) *Rounding*

For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified):

- (A) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up);
- (B) all figures shall be rounded to five significant figures (with halves being rounded up); and
- (C) all amounts that fall due and payable shall be rounded to the nearest cent (with halves being rounded up).

(c) **Calculation of interest amount payable**

The Calculation Agent will, as soon as practicable on or after determining the Interest Rate in relation to each Interest Period, calculate the amount of interest payable for the relevant Interest Period in respect of the Outstanding Principal

Amount of each MTN. The amount of interest payable will be calculated by multiplying the product of the Interest Rate for such Interest Period and the Outstanding Principal Amount by the applicable Day Count Fraction and rounding the resultant figure to the nearest cent (with halves being rounded upwards).

#### **5.4 Interest - other rates**

MTNs in relation to which this Condition 5.4 is specified in the relevant Pricing Supplement as being applicable will bear interest at the rate or rates calculated on the basis specified in, and be payable in the amounts and in the manner determined in accordance with, the relevant Pricing Supplement.

#### **5.5 Interest - supplemental provisions**

##### **(a) Interest Payment Dates**

Interest on each MTN will be payable in arrears at such intervals and on such Interest Payment Dates as are specified in the relevant Pricing Supplement and on the Maturity Date.

##### **(b) Notification of Interest Rate, interest payable and other items**

The Calculation Agent will cause each Interest Rate, the amount of interest payable and each other amount, item or date, as the case may be, determined or calculated by it to be notified to the Issuer and the Registrar in accordance with the relevant Agency and Registry Agreement (if applicable) and to be notified to MTN Holders in accordance with Condition 11 (*Notices*) as soon as practicable after such determination or calculation but in any event not later than the fourth day (other than a Saturday or Sunday) on which commercial banks are open for business in the Relevant Financial Centre thereafter. The Calculation Agent will be entitled to amend any such amount, item or date (or to make appropriate alternative arrangements by way of adjustment) without prior notice in the event of the extension or abbreviation of any relevant Interest Period or calculation period and such amendment will be notified in accordance with the previous sentence.

##### **(c) Determination final**

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it pursuant to these Conditions (including, without limitation, the Interest Rate for any Interest Period and the amount of interest payable for any Interest Period in respect of any MTN) is, in the absence of manifest error, final and binding on the Issuer, each MTN Holder and the Registrar.

##### **(d) Accrual of interest**

Interest accrues on the Outstanding Principal Amount of each MTN or as otherwise indicated in the relevant Pricing Supplement. Interest ceases to accrue as from the due date for redemption of an MTN unless the relevant payment is not made in which case interest will continue to accrue thereon (as well after as before any demand or judgment) at the rate then applicable to the Outstanding Principal Amount of the MTN or such other default rate (if any) as may be specified in the relevant Pricing Supplement until the date on which the relevant payment is made or, if earlier, the seventh day after the date on which the Registrar receives the funds required to make such payment (provided that

notice of such circumstance is given to the MTN Holders in accordance with Condition 11 (*Notices*) except to the extent that there is failure in the subsequent payment thereof to the relevant MTN Holder.

## 5.6 Zero Coupon MTNs

If the amount due and payable in respect of a non-interest bearing MTN (“**Zero Coupon MTN**”) on the redemption date is not paid when due, the Interest Rate for any such overdue principal is a rate per annum (expressed as a percentage) equal to the Amortisation Yield specified in the relevant Pricing Supplement.

---

## 6 Redemption and purchase

### 6.1 Redemption on maturity

Unless previously redeemed, or purchased and cancelled, each Note shall be redeemed on maturity at its Maturity Redemption Amount.

### 6.2 Purchase of Notes

- (a) The Issuer or any of Fonterra Co-operative Group Limited’s Related Bodies Corporate may at any time purchase Notes in the open market or otherwise and at any price. All unmaturing Notes purchased in accordance with this Condition 6.2 may be held, resold or cancelled at the discretion of the Issuer, subject to compliance with all legal and regulatory requirements.
- (b) For the purposes of the Meetings Provisions, in determining whether the provisions relating to quorum, meeting and voting procedures are complied with, any MTNs held in the name of the Issuer or any of its Subsidiaries will be disregarded.

*The following Condition 6.3 does not apply to STNs.*

### 6.3 Redemption for taxation reasons

The MTNs of any Series may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date or, if so specified in the relevant Pricing Supplement, at any time, on giving not less than 30 nor more than 60 days’ notice to the MTN Holders (which notice shall be irrevocable), at their early redemption amount applicable for tax redemptions (“**Early Redemption Amount (Tax)**”) (which is their Outstanding Principal Amount or such other Early Redemption Amount (Tax) as is specified in the Pricing Supplement) (together with interest accrued to the date fixed for redemption), if:

- (a) the Issuer has or will become obliged to pay Additional Amounts as provided or referred to in Condition 8.7 (*Taxation - Additional Amounts*), or the rate at which the approved issuer levy payable pursuant to Section 86J of the Stamp and Cheque Duties Act 1971 of New Zealand is increased to more than 2% as a result of any change in, or amendment to, the laws or regulations of New Zealand or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date; and
- (b) such obligation cannot be avoided by the Issuer paying (if it is not already doing so) New Zealand approved issuer levy at a rate not exceeding 2% on the payments or interest (as “interest” is defined for New Zealand tax law purposes);

provided that no such notice of redemption shall be given earlier than 90 days' prior to the earliest date on which the Issuer would be obliged to pay such additional amounts or the Issuer would be unable to relieve itself of the obligation to pay any additional amounts in respect of payments of principal or interest (as "interest" is defined for New Zealand tax law purposes) by paying the approved issuer levy (whichever is the earlier) were a payment in respect of the MTNs then due.

Prior to the publication of any notice of redemption pursuant to this Condition 6.3, the Issuer shall deliver to the Registrar a certificate signed by two Authorised Officers of the Issuer stating that the obligation referred to in (a) above cannot be avoided by the Issuer (taking reasonable measures available to it).

*The following Condition 6.4 does not apply to STNs.*

#### **6.4 Early redemption at the option of the Issuer**

If this Condition 6.4 is specified in the relevant Pricing Supplement as being applicable then the Issuer having given at least the minimum period (if any) (but not more than the maximum period (if any)) of notice specified in the relevant Pricing Supplement to MTN Holders in accordance with Condition 11 (*Notices*) (which notice must comply with the following paragraph and shall be irrevocable) and subject to satisfaction of any relevant conditions, specified in the relevant Pricing Supplement, may redeem all (but not, unless and to the extent that the relevant Pricing Supplement specifies otherwise, some only) of the MTNs on any Business Day (being, in the case of interest bearing MTNs (unless otherwise specified in the relevant Pricing Supplement), an Interest Payment Date) at their early redemption amount applicable for calls by the Issuer ("**Early Redemption Amount (Call)**") (which is their Outstanding Principal Amount or such other Early Redemption Amount (Call) as is specified in, or determined in accordance with, the relevant Pricing Supplement) together with (unless otherwise specified in the Pricing Supplement) accrued interest (if any) thereon.

The notice referred to in the preceding paragraph shall specify

- (a) the Series of MTNs subject to redemption;
- (b) subject to the Pricing Supplement specifying that a partial redemption is permissible, whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of the MTNs of the relevant Series which are to be redeemed;
- (c) the due date for redemption;
- (d) the Early Redemption Amount (Call) at which such MTNs are to be redeemed; and
- (e) whether or not accrued interest is to be paid upon redemption and, if so, the amount thereof or the basis or method of calculation thereof, all as provided in the relevant Pricing Supplement.

In the case of a partial redemption of MTNs, the MTNs to be redeemed will be selected by the Registrar in such manner as it considers appropriate, and notice of the MTNs selected for redemption will be given in accordance with Condition 11 (*Notices*) not less than 15 days prior to the date fixed for redemption.

Any notice given under this Condition 6.4 is irrevocable and obliges the Issuer to redeem the MTNs at the time and in the manner specified in the notice.

*The following Condition 6.5 does not apply to STNs.*

## **6.5 Redemption of the option of MTN Holders**

If this Condition 6.5 is specified in the relevant Pricing Supplement as being applicable and provided the relevant MTN Holders have given at least the minimum period (if any) (but not more than the maximum period (if any)) of notice specified in the relevant Pricing Supplement to the Issuer in accordance with Condition 11 (*Notices*) (which notice must be in the form of the redemption notice mentioned in the paragraph below), then, at the option of the MTN Holder and provided that any conditions to the exercise of such option as are specified in the relevant Pricing Supplement have been satisfied, the Issuer will redeem the MTN on any day (being, in the case of an interest bearing MTN (unless otherwise specified in the relevant Pricing Supplement) an Interest Payment Date) at its Early Redemption Amount applicable for puts (“**Early Redemption Amount (Put)**”) (which is its Outstanding Principal Amount or such other Early Redemption Amount (Put) as is specified in, or determined in accordance with, the relevant Pricing Supplement) together with (unless otherwise specified in the Pricing Supplement) accrued interest (if any) thereon.

To exercise such option, the MTN Holder must complete, sign and deliver to the specified offices of each of the Issuer and the Registrar not less than 45 days before the redemption date (or such other period as may be specified in the relevant Pricing Supplement), a redemption notice (in the form obtainable from the Registrar) together with such evidence as the Registrar may require to establish the rights of that MTN Holder to the relevant MTNs.

*The following Condition 6.6 does not apply to STNs.*

## **6.6 Zero Coupon MTNs**

In the case of a Zero Coupon MTN (unless otherwise specified in the Pricing Supplement), the Early Redemption Amount is the Amortised Face Amount or such other amount specified in the Pricing Supplement.

*The following Condition 7 does not apply to STNs.*

If a payment in respect of the Note is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

In that event, the Issuer will pay such additional amounts ("**Additional Amounts**") as may be necessary in order that the net amount received by the Holders after such withholding or deduction equals the respective amounts which would otherwise have been receivable in respect of the Notes in the absence of such withholding or deduction, except that no Additional Amounts are payable in relation to (i) any withholding or deduction for, or on account of, New Zealand resident withholding tax or (ii) any payments in respect of any Note:

- (a) to, or to a third party on behalf of, a Holder who is liable to such Taxes in respect of such Note by reason of such Holder, or any beneficial owner of any interest in, or rights in respect of, such Note having some connection (whether recent or past) with the relevant Tax Jurisdiction or any political subdivision therein or thereof other than the mere holding of such Note or receipt of payment (whether in respect of principal, redemption amount, interest or otherwise) in respect thereof;

- (d) presented for payment more than 30 days after the Relevant Date except to the extent that a Holder would have been entitled to Additional Amounts on presenting the same for payment on the last day of the period of 30 days assuming, whether or not such is in fact the case, that day to have been a Business Day;

*The following Conditions 8.8, 8.9, 8.10 and 8.11 only apply to Notes issued by Fonterra*

#### **8.8 New Zealand Non-Resident Withholding Tax**

Under current New Zealand taxation law, the Issuer is required to deduct New Zealand non-resident withholding tax at the applicable rate in the case of any payments of interest (as defined under New Zealand tax legislation) to a holder of a Note who is not resident in New Zealand and not carrying on business through a fixed establishment in New Zealand (“**New Zealand Non-Resident Holder**”). The Issuer may, and intends to, relieve itself of such obligation by using a procedure which permits borrowers such as the Issuer to reduce the applicable rate of non-resident withholding tax to zero per cent. That procedure involves the Issuer paying on its own account an approved issuer levy to the New Zealand revenue authorities (which is currently equal to 2 per cent. of such payments of interest). However, the approved issuer levy regime will not apply where:

- (a) the New Zealand Non-Resident Holder is “associated” to the Issuer (as that term is defined in Section YA1 of the Income Tax Act 2007 of New Zealand); or
- (b) the New Zealand Non- Resident Holder derives interest (as defined under New Zealand tax legislation) under such Note jointly with one or more persons, and one or more of those persons is resident in New Zealand.

In the circumstances set out in Condition 8.8(b), subject to any applicable double tax treaty, the New Zealand non-resident withholding tax imposed on the New Zealand Non-Resident Holder will equate to the applicable rate of New Zealand resident withholding tax.

#### **8.9 New Zealand Resident Withholding Tax**

The Issuer is required by law to deduct New Zealand resident withholding tax from the payment of interest to a Holder, on any Interest Payment Date or the Maturity Date, if:

- (a) the Holder is a resident of New Zealand for income tax purposes or such Holder carries on business in New Zealand, through a fixed establishment in New Zealand (a “**New Zealand Holder**”); and
- (b) at the time of such payment the New Zealand Holder does not hold a valid RWT exemption certificate (as defined in the Income Tax Act 2007 of New Zealand) for

New Zealand resident withholding tax purposes.

#### **8.10 New Zealand Holders**

Prior to any Interest Payment Date or the Maturity Date, any New Zealand Holder:

- (a) must notify the Issuer and the Registrar (i) that the New Zealand Holder is the holder of a Note and (ii) whether it derives beneficially interest under a Note jointly with any other person; and
- (b) should notify the Issuer and the Registrar of any circumstances, and provide the Issuer and the Registrar with any information, that may enable the Issuer to make the payment of interest to the New Zealand Holder without deduction on account of New Zealand resident withholding tax.

#### **8.11 Notes**

The New Zealand Holder must notify the Issuer, prior to any Interest Payment Date or the Maturity Date, of any change in the New Zealand Holder's circumstances from those previously notified that could affect the Issuer's payment obligations in respect of any Note. By accepting payment of the full face amount of a Note (including a Note under which a person, who is not a New Zealand Holder, derives beneficially interest jointly with one or more persons, and one or more of those persons is a New Zealand Holder) or any interest thereon on any Interest Payment Date or the Maturity Date, the New Zealand Holder indemnifies the Issuer for all purposes in respect of any liability the Issuer may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax or (in the case of a Note under which a person, who is not a New Zealand Holder, derives beneficially interest jointly with one or more persons, and one or more of those persons is a New Zealand Holder) New Zealand non-resident withholding tax.

#### **8.12 Currency indemnity**

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Holder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate taking into account any costs of conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion.

---

### **9 Further issues**

The Issuer may from time to time, without the consent of any Holder, issue further Notes having the same terms and conditions as the Notes of any Series in all respects (or in all respects except for the first payment of interest, if any, on them and/or their denomination) so as to form a single Series with the Notes of that Series.

---

## **10 Time limit for claims**

- (a) A claim against the Issuer for a payment under an STN is void unless such claim is made within 5 years of the due date for payment.
- (b) A claim against the Issuer for a payment under an MTN is void unless such claim is made within 10 years (in the case of principal and redemption amounts) and 5 years (in the case of interest and other amounts) from the Relevant Date for payment.

---

## **11 Notices**

### **11.3 Effective on receipt**

#### **11.4 Proof of receipt**

Subject to Condition 11.3 (*Effective on receipt*), proof of posting of a letter or of dispatch of a facsimile, publication of a notice or of posting a notice on an electronic source is proof of receipt:

- (a) for the purposes of curing any ambiguity, or correcting or supplementing any defective or inconsistent provisions therein; or
- (b) in the case of the Conditions or the Pricing Supplement, in any manner which the Issuer deems, or in the case of the Agency and Registry Agreement in any manner which the parties thereto deem, necessary or desirable and which does not adversely affect the interests of the Holders.

*The following Condition 13.2 does not apply to STNs.*

##### **13.2 Approval by MTN Holders**

The Conditions may otherwise be varied by the Issuer with the approval of the MTN Holders by Extraordinary Resolution. No other variation to the Conditions has effect in relation to the MTN Holders who hold MTNs at the date of any amending deed, unless they otherwise agree in writing. A variation will take effect in relation to all subsequent MTN Holders. A variation which affects only a particular Series or Tranche of MTNs may be approved solely by the MTN Holders of such Series or Tranche.

---

## **14 Registrar**

### **14.1 Role of Registrar**

In acting under the Agency and Registry Agreement in connection with the Notes, the Registrar acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any of the Holders save insofar as that any funds received by the Registrar in accordance with the Agency and Registry Agreement shall, pending their application in accordance with the Agency and Registry Agreement be held by it on trust for the persons entitled thereto.

### **14.2 Change of Registrar**

The Issuer reserves the right at any time to terminate the appointment of the Registrar in accordance with the Agency and Registry Agreement and to appoint a successor or additional registrars, provided, however, that the Issuer must at all times maintain the appointment of a registrar with its specified office in Australia. The Issuer may elect to have no Calculation Agent. Where no Calculation Agent is appointed the calculation of interest and principal payments in respect of Notes will be made by the Issuer.

---

### **16.1 Governing law**

The Notes are governed by the law in force in New South Wales.

### **16.2 Jurisdiction**

The Issuer irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of New South Wales and courts of appeal from them. The Issuer waives any right it has to object to an action being brought in those courts including, without limitation, by claiming that the action has been brought in an inconvenient forum, or that those courts do not have jurisdiction.

### **16.3 Service of Process**

Each Dealer has the right to reject any offer to purchase Notes made to it in whole or (subject to the terms of such offer) in part.*

*Each Dealer appointed under the Programme will be required to agree to comply with any applicable law, regulation or directive in any jurisdiction in which it may subscribe for, offer, sell or transfer Notes and that it will not, directly or indirectly, subscribe for, offer, sell or transfer Notes or distribute any Information Memorandum or other offering material in relation to the Notes, in any jurisdiction, except in accordance with these selling restrictions, any additional restrictions which are set out in the relevant Pricing Supplement and any applicable law, regulation or directive of that jurisdiction.*

*The following selling restrictions apply:*

---

### **1. General**

No action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Information Memorandum or any other offering material in any country or jurisdiction where action for that purpose is required.

Persons into whose hands this Information Memorandum comes are required by the Issuer, the Joint Arrangers and Programme Managers and the Dealers to comply with all applicable laws, regulations and directives in each country or jurisdiction in which they purchase, offer, sell, resell, reoffer or deliver Notes or have in their possession or distribute or publish the Information Memorandum or other offering material and to obtain any authorisation, consent, approval or permission required by them for the purchase, offer, sale, reoffer, resale or delivery by them of any Notes under any applicable law, regulation or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales, reoffers, resales or deliveries, in all cases at their own expense, and neither the Issuer nor the Joint Arrangers and Programme Managers or any Dealer has responsibility for such matters. In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.

In particular, there are restrictions on the distribution of this Information Memorandum and the offer or sale of Notes in Australia, New Zealand, the European Economic Area, the Netherlands, the United Kingdom, the United States of America, Japan, Hong Kong, and Singapore as set out below.

- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (d) above shall require the Issuer or the Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU.

**10. Variation**

These selling restrictions may be updated from time to time. Any change may be set out in a Pricing Supplement or in another supplement to this Information Memorandum.

## Australian Taxation

---

*The following is a summary of the Australian taxation treatment under the Income Tax Assessment Acts of 1936 and 1997 of Australia (together, “**Australian Tax Act**”) and any relevant rulings, determinations and regulations, at the date of this Information Memorandum, of the Notes to be issued by the Issuers under the Programme and certain other matters. It is a general guide only and is not exhaustive. It should be treated with appropriate caution. In particular, the summary does not deal with the position of certain classes of holders of Notes (including, without limitation, dealers in securities, custodians or other third parties who hold Notes on behalf of other persons).*

*The summary is not intended to be, nor should it be construed as, legal or tax advice. Prospective holders of Notes should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances. Information regarding taxes in respect of Notes may also be set out in the applicable Pricing Supplement.*

*The following section applies to Notes issued by Fonterra Co-operative Group Limited (“**Fonterra**”) only.*

### **Interest withholding tax**

So long as Fonterra continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of Fonterra in Australia, payments of principal and interest made under Notes issued by it should not be subject to Australian interest withholding tax (“**Australian IWT**”).

*The following section applies to Notes issued by New Zealand Milk (Australasia) Pty Limited (“**NZ Milk**”) only.*

### **Introduction**

The Australian Tax Act characterises securities as either “debt interests” (for all entities) or “equity interests” (for companies) including for the purposes of interest withholding tax imposed under Division 11A of Part III of the Australian Tax Act (“**IWT**”) and dividend withholding tax. In the case of “debt interests” such as the Notes, IWT is payable at a rate of 10% of the gross amount of interest paid by us to a non-Australian resident (other than a non-Australian resident who derives the interest income in carrying on business at or through a permanent establishment in Australia) or an Australian resident who derives the interest income in carrying on business at or through a permanent establishment outside Australia, unless an exemption is available.

An exemption from IWT is available in respect of interest paid on Notes to be issued by NZ Milk under the Programme if (a) the requirements of section 128F of the Australian Tax Act are met, or (y) the requirements of an applicable double tax convention are satisfied.

Unless otherwise specified in any applicable Pricing Supplement (or another relevant supplement to this Information Memorandum), NZ Milk intends to issue the Notes in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

### **Interest withholding tax**

The exemption from IWT under section 128F of the Australian Tax Act is available in respect of interest paid on the Notes issued by NZ Milk if the following conditions are met:

- (a) NZ Milk remains a resident of Australia and a company when it issues those Notes and when interest (as defined in section 128A(1AB) of the Australian Tax Act) is paid. Interest is defined for these purposes to include amounts in the nature of, or in

substitution for, interest and certain other amounts;

(b) those Notes are issued in a manner which satisfies the public offer test in section 128F of the Australian Tax Act. In relation to the Notes, there are five principal methods of satisfying the public offer test, the purpose of which is to ensure that lenders in capital markets are aware that NZ Milk is offering those Notes for issue. Only one of the methods needs to be satisfied. In summary, the five principal methods are:

- offers to 10 or more unrelated financiers or securities dealers;
- offers to 100 or more investors;
- offers of listed Notes;
- offers via publicly available information sources; and
- offers to a dealer, manager or underwriter who offers to sell those Notes within 30 days by one of the preceding methods.

The issue of any of those Notes (whether in global form or otherwise) and the offering of interests in any of those Notes by one of these methods should satisfy the public offer test;

(c) NZ Milk does not know, or have reasonable grounds to suspect, at the time of issue, that those Notes or interests in those Notes were being, or would later be, acquired, directly or indirectly, by an associate of NZ Milk, except as permitted by section 128F(5) of the Australian Tax Act; and

(d) at the time of the payment of interest, NZ Milk does not know, or have reasonable grounds to suspect, that the payee is an “associate” of NZ Milk, except as permitted by section 128F(6) of the Australian Tax Act.

#### *Exemptions under recent double tax conventions*

The Australian government has signed new or amended double tax conventions (“**New Treaties**”) with a number of countries (each a “**Specified Country**”).

In broad terms, once they have entered into force, the New Treaties effectively prevent IWT being imposed on interest derived by:

- the government of the relevant Specified Country, and certain governmental authorities and agencies in the Specified Country; or
- a “financial institution” which is a resident of a Specified Country and which is unrelated to and dealing wholly independently with NZ Milk. The term “financial institution” refers to either a bank or any other enterprise which substantially derives its profits by carrying on a business of raising and providing finance. However, interest paid under a back-to-back loan or an economically equivalent arrangement will not qualify for this exemption.

The Australian Federal Treasury maintains a listing of Australia’s double tax conventions which provides details of country, status, withholding tax rate limits and Australian domestic implementation. This listing is available to the public on the Federal Treasury’s Department website at: <http://www.treasury.gov.au/content/tax-treaties.asp>

Except as expressly noted, the following section applies to Notes issued by either Fonterra or New Zealand Milk (Australasia) Pty Limited (each an “**Issuer**”).

### Other tax matters

Under Australian laws as presently in effect:

- (a) *death duties* - no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (b) *stamp duty and other taxes* - no *ad valorem* stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any Notes;
- (c) *other withholding taxes on payments in respect of Notes* - section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia (“**Taxation Administration Act**”) imposes a type of withholding tax at the rate of (currently) 46.5% (with an increase to 47% from 1 July 2014) on the payment of interest on certain registered securities unless the relevant payee has quoted an Australian tax file number (“**TFN**”), (in certain circumstances) an Australian Business Number (“**ABN**”) or proof of some other exception (as appropriate).

Assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Notes issued by New Zealand Milk (Australasia) Pty Limited, then the requirements of section 12-140 do not apply to payments to a holder of Notes in registered form who is not a resident of Australia and not holding those Notes in the course of carrying on business at or through a permanent establishment in Australia. Payments to other classes of holders of Notes in registered form may be subject to a withholding where the holder of those Notes does not quote a TFN, ABN or provide proof of an appropriate exemption (as appropriate);

So long as Fonterra continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Australian Income Tax Assessment Act 1936 and section 12-140 of Schedule 1 to the Taxation Administration Act should not apply in connection with Notes issued by the Issuer;

- (d) *supply withholding tax* - payments in respect of the Notes can be made free and clear of the “supply withholding tax” imposed under section 12-190 of Schedule 1 to the Taxation Administration Act; and
- (e) *goods and services tax (“GST”)* - neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber), a GST-free supply. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia.

## **New Zealand Taxation**

---

*The following is a summary of certain terms and conditions of the Notes issued by Fonterra Co-operative Group Limited (“Fonterra”) relating to New Zealand tax issues. Fonterra makes no comment about the treatment for taxation purposes of payments or receipts in respect of the Notes, and this summary is not intended as tax advice to any person. Each investor contemplating acquiring Notes under the Programme is advised to consult a professional adviser in connection with the New Zealand tax consequences relating to the acquisition, retention and disposition of Notes.*

### **New Zealand non resident withholding tax**

Although New Zealand law requires a deduction on account of non-resident withholding tax to be made from the payment of interest (as defined under New Zealand tax legislation) to any Holder who is not a resident of New Zealand for income tax purposes (not being a holder who carries on business in New Zealand through a fixed establishment in New Zealand (“*New Zealand Non-Resident Holder*”), Fonterra intends (for so long as it does not incur any increased cost or detriment from so doing) to reduce the applicable rate of non-resident withholding tax to zero per cent. by registering the Programme with the New Zealand Inland Revenue Department and paying, on its own account, an approved issuer levy which is currently equal to 2 per cent. of the relevant interest payment. However, the approved issuer levy regime will not apply where:

- (a) the New Zealand Non-Resident Holder is “associated” to Fonterra (as that term is defined in Section YA1 of the Income Tax Act 2007 of New Zealand); or
- (b) the New Zealand Non-Resident Holder derives interest (as defined under the New Zealand tax legislation) under such Notes jointly with one or more persons, and one or more of those persons is resident in New Zealand.

In the circumstance set out in (b) above, subject to any applicable double tax treaty, the New Zealand non-resident withholding tax imposed on the New Zealand Non-Resident Holder will equate to the applicable rate of New Zealand resident withholding tax.

Subject to the comments above, under the terms of the Notes, Fonterra is obliged to make additional payments to holders where a deduction on account of New Zealand non resident withholding tax is made or required.

### **Joint Holders**

Where a beneficial owner of a Note, who is not a New Zealand tax resident holder and who does not carry on business in New Zealand through a fixed establishment (a “*non New Zealand Holder*”), derives interest under such a Note jointly with one or more persons, and one or more of those persons is a New Zealand tax resident, the approved issuer levy regime referred to above will not apply to the non-New Zealand Holder and (subject to any applicable double tax treaty) the New Zealand non-resident withholding tax imposed will equate to the applicable rate of New Zealand resident withholding tax.

Under the terms of the Notes, Fonterra is not obliged to make any additional payments to such non-New Zealand Holders where a deduction on account of New Zealand non-resident withholding tax is made.

### **New Zealand resident withholding tax**

A deduction on account of New Zealand resident withholding tax will be made from the payment of interest (as defined under New Zealand tax legislation) to a Holder if:

- (a) such holder is a resident of New Zealand for income tax purposes or such holder is a non-resident which carries on business in New Zealand through a fixed establishment in New Zealand (a “*New Zealand Holder*”); and
- (b) at the time of such payment the New Zealand Holder does not hold a valid RWT exemption certificate (as defined in the Income Tax Act 2007 of New Zealand) for New Zealand resident withholding tax purposes.

Under the terms of the Notes, Fonterra is not obliged to make any additional payments to holders where a deduction on account of New Zealand resident withholding tax is made or required.

#### **Notification obligation of New Zealand Holders**

Prior to any interest payment date or the maturity date of any of the Notes, a New Zealand Holder:

- (a) must notify Fonterra (i) that the New Zealand Holder is the holder of a Note and (ii) whether it derives a beneficial interest under a Note jointly with any other person; and
- (b) must notify Fonterra of any circumstances, and provide Fonterra with its New Zealand tax file number and any information (including a copy of a valid RWT exemption certificate (as defined in the Income Tax Act 2007 of New Zealand)) that may enable Fonterra to make the payment of interest to the New Zealand Holder without deduction on account of New Zealand resident withholding tax.

The New Zealand Holder must notify Fonterra, prior to any interest payment date or the maturity date of the Notes, of any change in the New Zealand Holder's circumstances from those previously notified that could affect Fonterra's withholding, deduction or payment obligations in respect of such Notes.

#### **New Zealand Holder Indemnity**

Pursuant to the terms of the Notes, by accepting payment of the full face amount of any Note (including a Note under which a person, who is a non-New Zealand Holder, derives beneficially interest jointly with one or more persons, and one or more of those persons is a New Zealand tax resident holder (see further under the heading “*Joint Holders*” above)) on its maturity or any interest payment date, a New Zealand Holder agrees to indemnify Fonterra for all purposes in respect of any liability that Fonterra may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax and (in the case of a Note under which a person, who is a non-New Zealand Holder, derives beneficially interest jointly with one or more persons, and one or more of those persons is a New Zealand tax resident holder as applicable) New Zealand non-resident withholding tax applicable to such non-resident holder.
